Financial Savings & Perks

Discounted Group Rates:

Group fares can be **lower** than standard rates. These rates are typically locked in early, protecting the group from future price hikes.

Free Berth (Group Leader):

A common industry standard is offering one free cruise fare for every 20 full-fare passengers booked. This credit can be used to lower everyone's cost or provide a free trip for the group organizer*.

Onboard Credit (OBC):

Groups can receive spending money per cabin to use for spa treatments, drinks, or shore excursions.

Reduced Deposits:

Some cruise lines **may** allow groups to book with a lower initial deposit.

- *Excluding taxes and government fees
- Some features may incur an additional cost

Exclusive Amenities

Private Events:

Groups can access dedicated spaces for **private cocktail parties**, welcome receptions, or coffee breaks *.

Customized Dining:

Most lines ensure groups can **dine together** at the same tables each night, which is otherwise difficult to coordinate for large parties.

Personalized Touches:

Organizers often arrange for group-specific perks like custom t-shirts, swag bags, or specialized onboard activities like trivia or Q&A sessions.

*Based on group size.
